This list contains projects from MDT's current program that are candidates for economic recovery funding. The ability to fund all projects on this list with economic recovery funding is dependent on actual project costs and funding available to MDT through the American Recovery and Reinvestment Act of 2009 (ARRA). Additional remaining projects have been identified to ensure that all the ARRA funds will be fully utilitized to meet obligation deadline requirements and other conditions. **GRAND TOTAL OF RECOVERY PROJECT** \$233,754,448 **GRAND TOTAL OF PROJECTS NOT USED** 

GRAND TOTAL FROM FEBRUARY 20TH COMMISSION MEETING \$439,056,921

Totals vary slightly from \$439M Feb 20th figure due to estimate and project adjustments
